Ascent at-a-glance

We solve supply chain challenges and help our customers be successful in their businesses.

We support dozens of Fortune 500 companies and are a trusted partner to thousands of small and medium-sized businesses, who all rely on Ascent to deliver when it matters most. Powered by an innovative technology platform, our experienced team of more than 1,000 Ascenters helps over 4,000 customers with complex logistics challenges.

We are a recognized leader in expedited logistics – executing over 500,000 freight moves by ground and air each year.
