Your personal data can be subject to access requests from governments, courts, or law enforcement in the United States according to the laws of the United States.

For any transfers of personal data from the European Economic Area (EEA), Switzerland or the United Kingdom that we make to other entities as described in this Privacy Policy, we use appropriate safeguards to ensure for the lawful processing and transfer of the personal data, including, when appropriate, the use of standard contractual clauses approved by the European Commission. To obtain a copy of the safeguards, contact us at info@ascentgl.com.

5. OPT-OUT PREFERENCE SIGNALS

The Site recognizes the Global Privacy Control ("GPC") signal. If you are using a browser setting or plug-in that sends an opt-out preference signal to each website you visit, we will treat that as a valid request to opt out. To download and use a browser supporting the GPC browser signal, click here: <https://globalprivacycontrol.org/orgs>. If you choose to use the GPC signal, you will need to turn it on for each supported browser or browser extension you use.

Some internet browsers incorporate a "Do Not Track" feature that signals to websites you visit that you

do not want to have your online activity tracked. Given that there is not a uniform way that browsers communicate the “Do Not Track” signal, the Site does not currently interpret, respond to or alter its practices when it receives “Do Not Track” signals.

6. SECURITY

We maintain commercially reasonable security measures to protect the personal data we collect and store from loss, misuse, destruction, or unauthorized access. However, no security measure or modality of data transmission over the Internet is 100% secure.
